

Attention Parents!

Here is a unique way to commemorate your son or daughter's accomplishments at BHS!

Commemorate your student's graduation and/or achievements with a donation to the Barrington High School Library.

Your contribution will enhance the collection that supports the student's curriculum at BHS.

~Please fill out the form below. ~
The library staff will then purchase a book and send you a confirmation of the title and call number which will serve as your receipt for your tax deductible donation. Your student will have the opportunity to be the first to check out the book.

Your book will have the above commemorative label attached to the inside cover to designate your unique contribution to the Barrington High School Library in honor of your student's achievement.

May your son or daughter have all the success possible in the future. Congratulations!

Please return completed form to the Barrington High School Library
616 W. Main St.
Barrington, IL 60010

Make checks payable to **BHS Library

**Please print clearly
