

A formal charge from the Board of Education

I. Name of Committee

Referendum Advisory Committee

II. Specific Purpose of Referendum Advisory Committee

The Board of Education and the administration value public engagement and input. The Referendum Advisory Committee is a committee that will serve in an advisory role to the Barrington 220 Board of Education. The Referendum Advisory Committee is designed to provide perspective from the Barrington 220 community to determine which components of the Blueprint 220 Master Facility Plan should be included on a referendum question planned to appear on the April 2, 2019 ballot. The Referendum Advisory Committee will make a recommendation to the Board of Education by November 20, 2019.

The final decision of what will be asked on a referendum question rests with the Board of Education.

III. Advisory to the Board of Education

The Referendum Advisory Committee will bring a recommendation to the Board of Education for their consideration that meet with the approval of at least 60% of the group.

IV. Options and Modifications to be Considered by Referendum Advisory Committee

The Board of Education will present three (3) options for consideration and review by the Referendum Advisory Committee. The Committee may consider modifications to the three (3) options only after getting Board approval for such modifications. Any such modifications should be presented to the Board no later than the Board Meeting scheduled for November 6, 2018.

V. Referendum Advisory Committee Membership

The fifty-seven (57) organizations below will be invited to provide a representative/s to serve on the Referendum Advisory Committee. Each representative is required to attend 75% of the Committee's scheduled meetings to vote on the Recommendation.

The Board will appoint up to 3 co-chairs to facilitate the meetings of the Committee. The co-chairs will not be voting members.

Additional input may be provided upon the request of the Committee co-chairs by staff members from the district. These additional individuals will provide their expertise and will serve as resources, not as committee members.

Voting members of the Referendum Advisory Committee are indicated by an asterisk (*).
