

# Hybrid Transportation Information

All bus route information is currently available on the Traversa Ride 360 mobile app. Please note, routes show a five day schedule, however students should only ride the bus on the days they are assigned to attend school. Thank you for helping to make sure everyone stays healthy while riding the bus to school!

- Students must wear a mask at all times while on the bus.
- Whenever possible, students should load from the back of the bus first and unload from the front of the bus.
- Students are to remain in their seats for the entire bus ride.
- Whenever possible students should avoid sitting in the same seat with other students unless they are from the same household. Alternating seats is preferred. Bus drivers will provide additional guidance for each specific route, and students are to follow driver instructions.
- Drivers will have temperatures checked before leaving for their routes.
- Drivers will wear approved PPE, including masks, while on the bus.
- Drivers will clean high touch areas using a disinfectant wipe and spray between each route.
- Bus seats will be sprayed by drivers with disinfectant spray between each route.
- All cleaners/ disinfectants are EPA/CDC approved.
- Windows will be opened during bus routes to ensure proper ventilation whenever possible.
