At North Barrington we are a family. Our community has created a school that is positive, student-centered and welcoming to all. Our amazing staff creates a safe, nurturing environment that provides students the ability to achieve success academically, socially and emotionally. Our students love our teachers and are excited to come to school every day.

Austin Johnson, Principal

School History

North Barrington Elementary is one of eight elementary schools in the Barrington 220 School District, serving grades K-5. The original North Barrington Elementary School opened in 1946, consolidating five one-room schoolhouses in the area. At the time of the school’s dedication, it was heralded as a “school for the motor age” because of special design features that accommodated students arriving by car and bus. Fifty years later, voters approved a referendum to rebuild North Barrington at the same site. The new NBS opened to students in 1998.
