Summer School Information:

Important Numbers

Summer School Principal: Joe Boscarino 847-756-2583

Summer School Nurse: Amelia Vittetoe 847-842-3604

Summer School Special Education:
Lyndsay Tiritilli 847-842-3501 or ltiritilli@barrington220.org

Email: middlesummerschool@barrington220.org

Community Unit School District 220 offers a self-funded K-12 Summer Program. The program is available to any public, private, or parochial student who is a legal resident in District 220. Students who live outside the boundaries of District 220 are also able to take summer courses, if space is available.

How to Register for Middle School Summer Courses

Summer School courses can be viewed on-line starting March 1st by visiting www.barrington220.org/summerschool and clicking on the Middle School link. All registration must be done on-line. Kiosks are available by appointment at the following location:

James Street District Office:847-842-3512

Please refer to the fees listed, on the last page of course description brochure, in the Summer School 2019 Program for the appropriate fees associated with your desired course(s)

Non-Barrington 220/Out of District Students:

Non-Barrington 220 Students, newly enrolled in a Barrington 220 school for the Fall:

Once the student is enrolled for the following school year, the student may register for summer school. On-line registration will be available within 24 hours of registration.

Non-Barrington 220 Students Living in District 220 Boundaries, NOT Attending a Barrington 220 school in the Fall:

Students are eligible to take classes.

Registration will be from May 7th-June 7th.

The following must be submitted at the time of registration in order to confirm the seat in the course:

1. Summer School Enrollment Form (available @ your registration appointment)
2. Registration Form Completed (available @ your registration appointment)
3. Full Payment at time of registration by check
4. District Health Form (available in counseling office only)
5. Immunization Record
6. Recent Physical
7. 3 Proofs of Residency

Non-Barrington 220 Student NOT Living in District 220 Boundaries:

Students are eligible to take classes with Summer School Principal Permission. Registration will be from May 29-June 7. Please call Karen Jasonowicz, by appointment only 847.842.3512, to register. The following

must be submitted at the time of registration in order to confirm the seat in the course:

1. Summer School Enrollment Form (available during your registration appointment)
2. Registration Form Completed (available during your registration appointment)
3. Full Payment at time of registration by check
4. An additional, **one time** out of district fee of \$50 per student, needs to be included with the payment.
5. District Health Form (available in counseling office only)
6. Immunization Record
7. Recent Physical

SUMMER SCHOOL FEES

Registration is completed on-line. Payment must be made at that time.

CUSD 220 School Board approved Refund Policy:

Refunds: Middle School Summer School is a self-funded summer program. Staff are hired and paid based on enrollments. **Staffing is finalized in May. For that reason, no refunds are given after May 19th.**

Extended School Year Information

SPECIAL EDUCATION

When: ESY

Where:

Barbara Rose Elementary, Roslyn Road Elementary, Prairie Middle School Campus, ELC, and Barrington High School.

Registration:

Registration will take place at each student's Annual Review.

Tuition:

Students must be identified as eligible for Extended School Year (ESY) Summer School at the Individual Education Program (IEP) Conference/Annual Review. Requests for related services will be considered at the Annual Review. There is no cost to parents for the Extended School Year Summer School.

Transportation:

Transportation will be provided only for eligible special education students of CUSD 220.

Information:

All questions regarding the Extended School Year Summer School Program should be directed to
Laura Pawlak at 847-842-3508 or lpawlak@barrington220.org

FAQ

Does the district provide transportation?

Parents/students are responsible for transportation to and from school. Transportation will be provided for qualified participants.

What determines if a class will be cancelled?

You will be notified if a class is cancelled. It is important to have an alternative plan if a class is cancelled. The district reserves the right to cancel any courses which do not meet enrollment requirements or if unable to secure a certified instructor.

Health Information

What do I need to provide the nurse's office?

Students entering grades 6-8 that were enrolled in a District 220 school during 2018/19 have records on file. Teachers have access to students' health conditions and emergency health plans. Please update the summer school nurse if there are any changes. School Board Policy 7:100 requires the most recent physical and immunization record must be on file.

If a student was not enrolled in a District 220 school, they will need to fill out an Emergency Health Form. Please notify the nurse if your child has an Emergency or Health Plan in place at his/her present school. If you are not enrolled at CUSD 220 you must submit a health form, immunization record and recent physical with your registration.

Nurse Notes:

Does your child have Asthma, Food or Bee Allergy, or other Health Conditions?

- Please remember that if your child has an Inhaler or Epi-Pen that they carry at school they must notify the Summer School Nurse.
- Children prescribed an Inhaler or Epi-Pen should have them available during summer school in case of an emergency.
- Appropriate medication forms should be on file.
- Students may need an Emergency Care Plan (ECP) developed by the school nurse to be shared with teachers and coaches that have a need to know.
- Contact the School Nurse if you have any concerns regarding your child's health status during summer school.

**Health Questions please call:
NURSE-847-842-3604**

FINE ARTS

INTRODUCTION TO SCREENWRITING & PRODUCTION

1st Session Only (8:15am-10:30am)

Through this course, students will explore the process of storytelling for film. Students will use technical writing skills to construct a script, which they will then make into a short film! Students will analyze the technical writing of various scripts and work together to develop their own story/scripts. Then, each group will get to film, edit and present their films in class. Grab a group of friends and join us for some screenwriting fun!

LET'S EXPLORE! SPANISH CULTURE

Beginner and Incoming 6th grade: 1st Session Only (8:15am-10:30am)

Advanced and Incoming 7th and 8th grade: 2nd Session Only (10:45am-1:00pm)

This course will explore various cultural perspectives of the Spanish speaking world. Have fun learning about: fútbol (soccer), major pre-columbian civilizations, important artists and musicians and much more! We will play games, listen to and view materials in Spanish.

TEEN COOKING

Open to grades 6-8

Learn how to cook what you want to eat! This class will teach you how to prepare foods from snacks to simple meals using lots of new and delicious recipes, while incorporating healthy tips. The course will include a field trip to a local restaurant.

\$25.00 lab fee

3D MODELING BASICS

Open to grades 6-8

Inventor is developed by the U.S. based software company AutoDesk. Students will learn the basics of 3D digital prototypes used in the design, visualization and simulation of products.

HISTORY

GEOGRAPHY AND OUTDOOR GAMES

Open to grades 6-8

2ND Session only (10:45am-1:00pm)

Learn about the 7 continents, 5 oceans, 195 countries, and countless unique regions and places, all in one fun, fast-paced class. Maps, puzzles, games, and challenges will be used in this class. The second half of the class will involve going outside for kickball, bronco ball, soccer, flag football, and other outdoor games. Bring lots of water to drink!

HISTORY'S GREATEST HITS

Open to grades 6-8

1st Session Only (8:15am-10:30am)

If you love to learn about U.S. History, then this class is for you! We will learn about the various wars that America has been involved in, especially the Korean War, Vietnam War, Cold War, and Persian Gulf War. We will learn about all the U.S. Presidents, especially little known presidents. Movie clips will be used, plus fun puzzles and games. You will have a blast and learn a lot!

LIFE SKILLS

STUDY SKILLS

Open to grade 6-8

2nd Session Only (10:45am-1:00pm)

Join fellow explorers for a fun filled journey navigating, investigating and examining the skills of executive functioning. Voyagers will survey their way through executive functioning skills such as initiating task, problem solving, brain exercises, planning and organizing. Look forward to a "memory" filled adventure.

LITERACY

"FUN"DAMENTALS of READING AND WRITING WORKSHOP

Open to incoming 6th and 7th graders

Plunge into the world of fiction and non fiction reading and writing! Come and enjoy the LOVE of reading and study the strategies that authors use to bring stories to life and inspire you to want to know more! During this class we will read, respond, reflect, write, and enjoy all aspects of the workshop model and help you prepare for your middle school year ahead!

LITERACY THROUGH SPORTS

Incoming 6th grade: 1st Session Only (8:15am-10:30am)

Incoming 7th and 8th grade: 2nd Session Only (10:45am-1:00pm)

This course will combine the participation in athletics, as well as reading and writing about a specific sport each week. The first half of the class will be spent reading and researching about a sport's history, its athletes, and its future. Student will be researching and writing a column pertaining to the selected sport by the end of each week. The second half of class will be spent playing a sport. Not only will we be working on literacy skills, but improving our fitness at the same time! Sports are not guaranteed but suggestions include baseball, softball, basketball, kickball, boot camp and fitness exercise.

READING ACADEMY

Open to grades 6-8

This class is designed to help students strengthen their ability to understand texts through various reading comprehension strategies. Students will learn how to decipher meanings of new vocabulary words through context clues, then use that word knowledge to help strengthen their overall comprehension and reading recall. Students will be taught reading strategies they can apply to various texts. This class is designed to help boost comprehension so students can read and understand texts with ease. Note: Enrollment in this class is primarily based on teacher recommendation.

SUMMER READ/ REBECCA CAUDILL CHALLENGE- LITERACY WORKSHOP

Open to grades 6-8

Students will enjoy an environment submersed in literacy workshop while reading titles from past and present Rebecca Caudill lists along with their teacher required summer read novel. The elements of fiction, figurative language, vocabulary study, journal reflection writing, and literary projects using technology will be implemented.

YA EPIC READS: YOUNG ADULT LIT

Open to grades 6-8

"If you don't like to read, you haven't found the right book." — J.K. Rowling

Often times those that aren't fond of reading simply haven't stumbled upon the right series, author, or genre. Just like movies or music, we all have specific preferences. Come join us on a journey to discover your new favorite book! Explore academic vocabulary, common root words, prefixes, and suffixes, and advanced punctuation and grammar through popular young adult novels such as *The Hunger Games*, *Divergent*, and *Matched*. Students will practice personal choice in the selection of their novels with teacher guidance to be sure that the content and reading level are appropriate. All are welcome -- reluctant and avid readers alike!

MATH

INTRO TO 6TH GRADE MATH

Open to incoming 6th graders

This class is suitable for students with strong 5th grade foundational skills. The class will assist students in establishing math skills in basic math concepts and pre-algebra, focusing on Math in Focus strategies used in fifth grade.

INTRO TO 7TH GRADE MATH

Open to incoming 7th graders

This class is suitable for students with strong 6th grade foundational skills. The class will assist students in establishing math skills in basic math concepts and pre-algebra, focusing on the connected mathematics curriculum (CMP3).

INTRO TO 8TH GRADE MATH

Open to incoming 8th graders

This class is suitable for students with strong 7th grade foundational skills. The class will assist students in establishing math skills in basic math concepts and pre-algebra, continuing to build upon the connected mathematics strategies curriculum (CMP3).

REAL WORLD MATH FOR INCOMING 7th GRADE

Open to incoming 7th graders

1st Session Only (8:15am-10:30am)

This course is designed to provide students with a solid foundation of 6th grade math skills in order to better prepare them for 7th grade math concepts. Instruction will be based on each student's strengths in math, and will address specific areas in need of strengthening. Students will engage in active, hands-on learning to strengthen their understanding of math skills. They will also get the opportunity to work on math applications outside the school curriculum and apply concepts to real-world math problems Note: Enrollment in this class is primarily based on teacher recommendation.

REAL WORLD MATH FOR INCOMING 8th GRADE

Open to incoming 8th graders

2nd Session Only (10:45am-1:00pm)

This course is designed to provide students with a solid foundation of 7th grade math skills in order to better prepare them for 8th grade math concepts. Instruction will be based on each student's strengths in math, and will address specific areas in need of strengthening. Students will engage in active, hands-on learning to strengthen their understanding of math skills. They will also get the opportunity to work on math applications outside the school curriculum and apply concepts to real-world math problems Note: Enrollment in this class is primarily based on teacher recommendation.

PHYSICAL EDUCATION

ALL TIME PE FAVORITES

Open to grades 6-8

How does Dodge Ball, Capture the Flag, and many more of your all-time PE favorites sound to you? If you enjoy playing these games then this course is for you! All time PE favorites will include all of the great games and activities that you have loved over the years, plus new ones too! Whether you are an amateur, or a seasoned pro, you will have a lot of fun enhancing your skills and being active.

POMS 101

Open to grades 6-8

This class is designed for new or current dancers that emphasizes the basics of dance techniques while incorporating sharp synchronized movement by using pom poms as visual effects. During this class, students will have the opportunity to learn and practice various styles of Poms choreography. In addition, students will also have the opportunity to create and teach their own choreography to the class! Student will get the chance to show off their skills and dances by performing for their peers at the end of summer school. This is a great opportunity for those students who are looking to tryout for a poms or dance team to receive some practice or anyone who is looking to have fun and dance this summer!

SUMMER FITNESS

Open to grades 6-8

1st Session Only (8:15am-10:30am)

Improve your fitness for fall sports through cardio, learn about living a healthy lifestyle, and run! This class focuses on helping kids through aerobic fitness by engaging in daily activities which improves cardiovascular strength. It also educates participants on how to live a healthy lifestyle.

SCIENCE

SCIENCE ADVENTURES

Open to grades 6-8

This course is designed to introduce students to some general aspects of multiple scientific disciplines. We will be looking at some of the basic terms and concepts and we will be completing some investigations in these subject areas, with a focus on how they are interrelated. The class will focus on metrics, physics, chemistry, life sciences, and environmental sciences. It is designed to be a relaxing, fun and engaging environment.

\$15.00 lab fee

SCIENCE INVESTIGATIONS

Open to grades 6-8

This course is designed to introduce students to some general aspects of multiple scientific disciplines. We will be looking at some of the basic terms and concepts and we will be completing some investigations in these subject areas, with a focus on how they are interrelated. The class will focus on Physical Science, Earth Sciences, and Astronomy. It will also incorporate engineering skills. It is designed to be a relaxing, fun, hands-on and an engaging environment.

\$15.00 lab fee

AUGUST CAMPS

CAMP 6TH GRADE

Open for incoming 6th graders

AUGUST 13 & 14 Tuesday & Wednesday

AM Session: 8:00-11:00AM

PM Session: 12:00-3:00PM

Camp 6th grade offers engaging activities to introduce students to middle school life. Students will learn about the organizational structures at middle school as well as practical knowledge/skills such as how to navigate the school, how to order food in the cafeteria and how to open lockers.

Camp Fee \$85 (\$70.00 + 15.00 equipment fee)

Camp 6th grade is held at both Station & Prairie Campuses. Student will attend camp at their school.

Transportation will be provided for the AM & PM sessions for those who are eligible.

BOYS VOLLEYBALL CAMP

Open for incoming 7th & 8th graders

AUGUST 5-9 Monday - Friday

11:30-1:00PM

Station Middle School

Boys will explore the game of VOLLEYBALL while improving individual and team skills. Middle School coaches will conduct the camp. NO transportation will be provided.

Camp Fee \$75 (\$60.00 + \$15.00 equipment fee)

GIRLS BASKETBALL CAMP

Open for incoming 7th & 8th graders

AUGUST 13-14 Tuesday & Wednesday

3:30-6:00PM

Prairie Middle School

Girls will explore the game of basketball while improving individual and team skills. Middle School coaches will conduct the camp. NO transportation will be provided.

Camp Fee \$45 (\$30.00 + \$15.00 equipment fee)

GIRLS SOFTBALL CAMP

Open for incoming 6th, 7th, and 8th graders

AUGUST 5-9 Monday - Friday

8-10:30AM

Station Middle School Softball Field

Girls will explore the game of softball while improving individual and team skills. Middle School coaches will conduct the camp. NO transportation will be provided.

Camp Fee \$75 (\$60.00 + \$15.00 equipment fee)

ORCHESTRA CAMP

August 6th – 9th

AM Session (9:00-11:30 AM) Incoming Grades 7 & 8
PM Session (1:00-3:30PM) Incoming Grade 6
Prairie Middle School Orchestra Room

Prerequisite: Students need to be signed up for orchestra for the 2019-2020 school year.

This camp will allow students to play their instrument and focus on technique and musicality. It will help students grow and improve as instrumentalists and will give the middle school orchestra program a head start on the upcoming school year. The four day string camp will conclude with a short performance for parents. NO transportation will be provided.

Camp Fee \$75.00 (\$60.00 +\$15.00 equipment fee)

OTHER AVAILABLE SPORT CAMPS OFFERED @ BHS:

See BHS Summer School brochure for high school camp registration, class times and locations.

Please be aware BHS sport camps may conflict with Middle School class and camp times!

**NO TRANSPORTATION IS PROVIDED
FOR BHS CAMPS**
