BSEO officials may request, in advance, the use of school facilities at reasonable times for the purpose of meetings. The request will be made to the building principal or designee of the building in which a meeting will be held. The request will be honored depending on the availability of the space. This right includes, but is not limited to, the authority to hire, assign, schedule, promote, demote, transfer, lay off, discipline, and discharge employees; to relieve employees from duty because of lack of work or other legitimate reasons; to determine the work to be performed by employees, the size of the work force, and the manner in which the work is to be performed; and to establish and enforce reasonable rules and regulations applicable to employees, which will neither conflict nor be contrary with the terms and conditions of this Agreement.

4.02 Right to Classify and Place

ARTICLE VI - PAYMENT OF UNION DUES AND FAIR SHARE FEES

6.01 Paycheck Deduction for Membership Dues

The Board, upon written authorization by an employee, agrees to deduct regular BSEO dues from the employee's earnings. Such check-off authorization will specify the amount to be deducted regularly. The BSEO will notify the Business Office annually of any change in the annual dues to be deducted. The BSEO will notify the Business Office in writing of the name and address of the BSEO official to whom such deductions should be transmitted.

6.02 Paycheck Deduction for Fair Share Fees

Each employee who works twenty-five (25) hours or more weekly and who was initially employed on or after July 30, 1987, will, as a condition of employment, on or before thirty (30) days from that date, be a member of the BSEO or will pay a fair share fee to the BSEO equivalent to the amount of dues uniformly required of members of the BSEO, including any local, state and national dues. In the event such an employee does not pay the fair share fee directly to the BSEO by a certain date established by the BSEO, the Board will deduct the fair share fee from the wages of that employee.

6.03 Objection to Fair Share

An employee objecting to fair share payments based on bona fide religious beliefs which prohibit payment of fair share fees may make arrangements to pay an equal amount to a non-religious charitable organization agreed upon between the objecting employee and the BSEO. The BSEO also will advise all employees of the rebate procedures established by the BSEO, Illinois Education Association (IEA), and National Education Association (NEA).

6.04 Legal Responsibility of Fair Share

The BSEO agrees to comply with the Illinois Education Labor Relations Board's (IELRB) rules concerning fair share agreements. In the event of any legal action against the Board brought in a court or before an administrative agency because of its compliance with this Article, the BSEO agrees to defend such action, at its own expense and through its own counsel, provided the Board gives immediate notice of such action in writing to the BSEO, permits the BSEO intervention as a party if it so desires, and gives full and complete cooperation to the BSEO and its counsel in securing and giving evidence, obtaining witnesses and making relevant information available at both trial and all appellate levels. The BSEO agrees that in any action so defended, it will indemnify and hold harmless the Board, its agents and employees from any liability for damages and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the Board's compliance with this Article. It is expressly understood that this save-harmless provision will not apply to any claim, demand, suit or

other form of liability which may arise as a result of any type of willful misconduct by the Board, its agents and employees or the Board's imperfect execution of the obligations imposed upon it by this Article.

6.05 Notice of Employment Change

The BSEO President will receive copies of letters of hire and separation issued by the District regarding the employment status of classified staff members. Upon receipt of information regarding any change of hours, number of days of employment or building assignment for a classified employee, the Office of Human Resources will notify the BSEO President. All updates provided by the Administration will follow from actions taken by the CUSD 220 School Board at their meetings.

ARTICLE VII - GRIEVANCE PROCEDURE

7.01 Definition of a Grievance

A grievance is any claim by the BSEO or a classified employee that there has been a violation, misinterpretation, or misapplication of the terms of the Agreement.

7.02 Definition of Grievance Time Limits

All time limits herein will consist of school days, except when a grievance is submitted on or after June 1, time limits will consist of all regular work days, exclusive of weekends and holidays. Time limits may be extended only with the written consent of the administration and the BSEO.

7.03 Extension of Grievance Time Limits

Time limits may be extended only with the written consent of the Administration and the BSEO.

7.04 Grievance Procedure

The grievance procedure will consist of the following five steps:

- Step One (1). An employee and his/her immediate supervisor should first attempt to resolve a grievable problem through free and informal communications. When requested by either party, a BSEO representative may intervene to assist in this resolution. Should such informal processes fail to satisfy the supervisor and/or employee, then a grievance may be processed to Step 2.
- Step Two (2). If the grievance is not resolved in Step 1, the employee must present the grievance in writing within forty-five (45) days after the occurrence of the event giving rise to the grievance. This written grievance is to be presented to the immediate supervisor who will arrange a meeting within ten (10) days and the grievant will be present for the meeting. The supervisor will provide the grievant with a written response to the grievance within ten (10) days. Such response will include the reasons upon which the response is based.
- Step Three (3). In the event a grievance has not been satisfactorily resolved in Step 2, the grievant will file a copy of the grievance with the Superintendent within five (5) days after the supervisor's written response. Within ten (10) days after such written grievance is filed, the grievant, a BSEO representative, the supervisor and the Superintendent or designee will meet to attempt to resolve the grievance. The Superintendent or

designee will file a response within ten (10) days of the Step 3 grievance meeting and communicate it in writing to the employee and the supervisor.

- Step Four (4). If the grievant is not satisfied with the resolution of the grievance in Step 3, or the Step 3 time limit expires without action, then the employee, through the BSEO, may submit the grievance through the Superintendent's office to the Board within ten (10) days of the date by which the Step 3 response is required. The Board will consider the grievance at its next regular Board meeting, so long as it is filed at least seven (7) days prior to that meeting. The Board will have ten (10) days after its meeting in which to provide its written response, including the reason(s) upon which the response is based, to the employee, the supervisor, and the Superintendent.
- Step Five (5). If a grievance is not satisfactorily resolved in Step 4, within thirty (30) days after the Board files its response in Step 4, the BSEO may submit the grievance to final and binding arbitration, at which time the parties will agree upon the method for selecting an arbitrator, a statement of the grievance to be presented to arbitration and the limitations on the authority of the arbitrator. Failing agreement within ten (10) calendar days, the parties will select an arbitrator pursuant to the rules of the American Arbitration Association.

7.05 Bypassing Grievance Steps One (1) and/or Two (2)

Provided both parties agree, steps one (1) and/or two (2) of the grievance procedures may be bypassed and the grievance brought directly to the next step.

7.06 Relationship of Grievance Resolution to the Agreement

No resolution of any grievance will be in conflict with any of the terms or conditions of this Agreement.

ARTICLE VIII - EMPLOYMENT

8.01 Categories of Classified Personnel

Classified employees will be categorized in one of five (5) ways based upon the following work year definitions:

- a. A full-time-twelve-(12)-month employee works eight (8) hours per day.
- b. A part-time-twelve-(12)-month employee works less than eight (8) hours per day.
- c. A full-time-school-term employee works more than 175 days but less than twelve (12) months, eight (8) hours per day.
- d. A part-time-school-term employee works more than 175 days but less than or equal to twelve (12) months, less than eight (8) hours per day.
- e. A temporary employee works less than 176 days per fiscal year.

The above criterion defines classified employees regardless of the funding source of their position.

8.02 Use of Temporary Employees

The Board and the BSEO recognize the need, on occasion, for temporary employees. It is not the intent of the Board to fill staffing vacancies with temporary employees. In addition, it is not the Board's intention to underestimate classified staffing needs for the coming year when the staffing is approved in the preceding summer. This means that any position included in

the staffing which falls vacant before January 1st, and which the Board authorizes to be filled, will be filled as a regular, not a temporary, position.

8.03 Notice of Subcontracting

If the Board of Education proposes subcontracting work or services, currently performed in whole or in part by Bargaining Unit Members, it will do so in compliance with applicable IELRB and School Code requirements. The BSEO President and affected employee(s) will be given ninety (90) days notice prior to the signing of a subcontracting agreement. The notice must be given either by certified mail return receipt requested or personal delivery with receipt. The notice must state that the employee is being honorably dismissed and given the reason for dismissal. In the event that the employee held previous seniority in another grade structure/job title, they shall be permitted to bump into that respective grade structure/job title. The employee's date of hire in the district will be used to determine seniority.

8.04 Notice of Employment

Each new employee will receive a Notice of Employment following ratification of employment by the Board. This Notice will specify the position assigned, its classification, the number of hours constituting the work week, the number of days per year, and the wage rate.

8.05 On the Job Training

The Board will provide up to three (3) days of on the job training for every employee hired for or transferred to a new position.

8.06 Physical Examination

Prior to employment, accepted applicants for classified employee positions will have a physical examination. The Board will specify a doctor who will provide this examination at no cost to the applicant. Additional medical laboratory work required by state statute or other state requirement(s) as a condition for continued employment will be paid in full by the Board.

8.07 Probationary Period

Initial employment will be subject to a probationary period of six (6) months. In consultation with the BSEO, the probationary period may be extended for not more than an additional six (6) months. Recourse to the Grievance Procedures in cases of termination is not available during the probationary period.

8.08 Notice of Work Assignment

An employee will be notified of his/her assignment for the school year in writing no later than August 1st by the Human Resource Department. In the event an assignment change is proposed, the affected employee will be notified promptly and consulted. The BSEO will be notified in writing of all employee assignments before the beginning of each school term.

8.09 Religious and Political Activities of Employees

An employee will be entitled to full rights of citizenship, and no religious or political activities of any employee, or the lack thereof, will be grounds for any discipline or discrimination with respect to the professional employment of such person, provided such religious and political activities are conducted outside the person's established duty hours, and provided such activities do not result in a criminal conviction.

8.10 Private and Personal Activities of Employees

The private and personal life of any employee is not within the appropriate concern or attention of the Board, unless such has a clearly deleterious impact on the discharge of the employee's professional duties for the District.

ARTICLE IX - SUPERVISION AND DISCIPLINE OF EMPLOYEES

9.01 Supervisory Process

All employees will be evaluated in accordance with the supervisory process identified in Appendix B.

9.02 Employee Response to the Supervisory Process

An employee will receive a copy of, and the opportunity to respond to, any written evaluation of performance or disciplinary action that is placed in the employee's personnel file.

9.03 Just Cause

An employee will be treated fairly and no employee will be disciplined or discharged without Just Cause.

9.04 Discipline Procedure

In responding to behaviors determined to be in violation of this agreement, Board policy or procedure, the BSEO and the Board of Education agree to adopt a philosophy of progressive discipline, which includes verbal reprimand, written reprimand, suspension, and termination of employment. The parties agree that in circumstances where a behavior occurs and is of such a significant nature that a lesser consequence is not appropriate, the progressive discipline process may be initiated at a more serious consequence level. When an acceleration of the progressive discipline process is contemplated, the Assistant Superintendent for Human Resources will be involved in the investigation and final decision regarding the appropriate consequence. The BSEO President and/or one of the Executive Officers of the BSEO will be notified of the acceleration of the disciplinary process and in the event of suspension and/or recommendation for termination, section 9.07 will apply.

9.05 Written Notice of Meeting with Supervisor

Under typical circumstances, an employee will be given written notification of a disciplinary meeting with the supervisor at least three (3) work days in advance. The written notice will include the reasons for the meeting. When the reason for the meeting is to address a behavior or situation that jeopardizes security, the safety of the employee, students, or other staff members, the meeting may be held as soon as practicable, with verbal notice to the President of the BSEO, or if the President is not available, one of the executive officers of the BSEO.

9.06 Weingarten Rights

An employee has the right to have a BSEO representative present when the employee is called to appear before a supervisor, administrator, or the Board to discuss matters that may, in the employee's perception, lead to disciplinary action against the employee. Should the employee waive those rights, BSEO requires that the employee and union representative sign a waiver indicating such a decision and forward a copy to the BSEO President.

9.07 Suspension of an Employee

An employee may be suspended with or without pay at the District's sole discretion during an investigation or determination concerning disciplinary action. Such an action will require a meeting of all parties including the BSEO President or designee and the Assistant Superintendent for Human Resources or designee. Such investigation or determination will be completed by the District within five (5) work days of the suspension. If the District's investigation discloses that no disciplinary action should be taken against the suspended employee, the employee will be allowed to return to work and will be promptly paid for any days on suspension for which pay was withheld.

ARTICLE X - HOURS

10.01 Definition of Work Week

The normal work week for full-time-twelve-(12)-month employees will be Monday through Friday, or Tuesday through Saturday.

10.02 Schedule for All Secretaries – K-5, 6-8 and 9-12

An employee who works more than 188 and less than 260 days will receive a calendar on which he/she will need to identify the days he/she will work beyond the 188 day school year based on their contracted number of days. The non-student attendance days will be flexible as long as it is discussed and approved by their supervisor. An employee who works more than 217 days and works the day prior to and after the Independence Day holiday will be paid for the holiday.

10.03 Definition of Overtime

Overtime must have the pre-approval of the employee's supervisor before it is worked. Work in excess of forty (40) hours per week will constitute overtime. In such instances, the employee will be paid at a rate of one and one-half (1-1/2) times the normal hourly rate or may choose to take compensatory time at one and one-half (1-1/2) times the overtime worked. Holidays, vacation time and bereavement days will be counted toward forty (40) hours for overtime purposes. All time worked on the seventh consecutive work day is to be paid at two (2) times the normal hourly rate. Sick and personal days will not be included in the calculation of the seven consecutive work days.

10.04 Snow and Ice Removal

When a buildings and grounds employee is called in by a supervisor for snow and ice control more than two (2) hours before the start of the regular shift, all hours prior to the start of the regular shift will be paid to the employee at one and one-half (1-1/2) times the regular rate.

10.05 Compensatory Time

An employee may elect to receive compensatory time at time and one half in lieu of overtime pay. The supervising administrator shall keep records of such time approved for and used by employees specifically responsible to him or her in a given fiscal year. To earn and use accrued compensatory time, an employee must have prior written approval from the appropriate administrator. An employee must take compensatory time as close to the time it was earned as is practicable insofar as the workload of the department permits and personal plans can be made. Compensatory time will not be accumulated and carried over from one fiscal year to the next except in unusual circumstances and with permission of the supervising administrator and the Office of Human Resources. An employee may not use more than one week (5 days) of compensatory time at any one time. An administrator may not deny use of compensatory time in such a way that it is impossible for the employee to use it before the end of the fiscal year.

An employee may not accumulate more than eighty (80) hours of compensatory time in a fiscal year. Once eighty (80) hours of compensatory time have been accumulated, no additional compensatory time may be accumulated until the total accumulated compensatory time falls below eighty (80) hours. Accrued compensatory time must be used before available vacation or personal leave is used. Unused compensatory time at the end of the fiscal year shall be paid to the employee.

10.06 Holidays

A non-temporary employee will be granted the day off with pay for regular hours which otherwise would be worked on the following holidays: Independence Day, Labor Day, Columbus Day, Veteran's Day, Thanksgiving Day, the day after Thanksgiving, Christmas Day, New Year's Day, Martin Luther King's Birthday, Lincoln's Birthday or President's Day, Casimir Pulaski Day, Good Friday and Memorial Day. When a full-time-school-term or a part-time-school-term employee is assigned and works a minimum of five (5) hours per day for at least three (3) days during the week before Labor Day, the employee will be paid regular hourly wages for the Labor Day holiday.

Other than Lincoln's Birthday, holidays which fall on Saturday may be observed on Friday; holidays which fall on Sunday may be observed on Monday. Holidays that fall on a weekend and are not celebrated on the previous Friday or following Monday, will be paid.

10.07 Floating Holidays

If the schools are open as a pupil attendance day on any of the listed holidays, a non-temporary employee hired prior to November 1st of a given school year will be granted a floating holiday to replace each holiday waived. In the event the holiday is not waived or the waiver expires, the floating holiday will revert back to the listed holiday.

The floating holiday(s) will be taken on a pupil nonattendance day mutually agreed upon between the employee and the supervisor. One (1) floating holiday may occur on a specified date mutually agreed upon by the BSEO and the Board.

ARTICLE XI - SENIORITY AND REDUCTION IN FORCE

11.01 Qualifications for Seniority

Seniority will be based on the date of hire into a position eligible for seniority, or the date of assignment to a position eligible for seniority. Any employee who works five (5) hours per day and one hundred seventy-six (176) days or more per year will qualify for seniority status. Should the employee achieve seniority status and subsequently fall below the required five (5) hours per day, 176 days per year, his/her seniority will be retained and frozen until such time as his/her schedule returns to at least five (5) hours per day, 176 days per year at which time the individual will begin accruing additional seniority credit. Seniority will accrue from the date of hire into an eligible position, and apply to the position currently held as well as all other previously held eligible positions. For those employees working in more than one part-time position who meet the requirement for accrual of seniority, seniority will accrue equally in each position.

11.02 Effect on Seniority when Employee Changes to Different Grade Structure/Job Title

When an employee moves to another position that meets the requirements for accrual of seniority, the seniority accrued in previous positions will transfer to the new position.

11.03 Reduction in Force (RIF)

If the Board decides to make a reduction in force, an employee to be released will be given either ninety (90) days notice or thirty (30) work days severance pay, at the Board's discretion. Previously earned vacation or back pay will be paid in addition to the severance pay. Should the Board decide to reduce the number of employees in a specific category of position, the employee with the least seniority in that category of position will be honorably dismissed first. Honorably dismissed employees in one category of position who hold seniority in another category of position can "bump" an employee in that category that has less seniority.

11.04 Right to Recall

Honorably dismissed employees will be recalled on the basis of seniority and qualifications for the open position(s). In the event the Board has any vacancies for the following school term or within one calendar year from the beginning of the following school term, the positions thereby becoming available within a specific category of position shall be tendered to the employees so removed or dismissed from that category or any other category of position, so far as they are qualified to hold such position(s). During this period, positions that become vacant may not be offered to a new employee until and unless all appropriately qualified individuals with recall rights have been rehired or have declined recall to an available position.

Recalled employees will have previous seniority and wage grid placement recognized, except when accepting recall to a different position, the procedure for determining wage grid placement in sections 18.09 and 18.11 will apply.

12.17 Professional Development

The success of these plans depends on the cooperation and mutual confidence of the employee and the Administration. Therefore, the Administration is encouraged to help facilitate the involvement of classified employees in all ways practical and possible. When institute day activities are relevant to classified employees, they will be encouraged to attend. Employees who do not work on institute days who are authorized to attend such activities will be compensated at the curriculum rate of pay. As part of the professional development process, employees may be encouraged to participate in training outside of the regular work day. In such cases, employees may apply the time spent engaged in that activity towards receipt of Board credit, in accordance with Section 12.18 of this Article.

When funds are available in each year of this contract, the Superintendent or designee will allocate a specified dollar amount to each building for staff development purposes for classified employees. The allocation will be calculated based on the number of classified employees in each building. If the official hire date for a new employee is three (3) or fewer days prior to a pay date, the employee's first pay check will be received on the second (2nd) payroll date following the employee's official hire date. The official hire date will be determined by the Human Resources Department following the completion of the required employment paperwork.

Payroll shall be distributed no later than the fifteenth (15th) and last day of each month, except when such date occurs on a holiday or a weekend. In such instance, the nearest previous District business day shall be the pay day.

18.02 Involuntary Transfer

The Board recognizes that any employee being involuntarily transferred will not have his/her hourly salary, contracted days and hours per day reduced or frozen, excluding reduction in force and disciplinary purposes. Excluding disciplinary purposes, an employee who is transferred involuntarily will be considered for all vacancies which may exist for which the employee may qualify at the time of the involuntary transfer.

18.03 Lunchroom and Lunch Recess Supervision

Paid extra-duty lunchroom supervisory assignments will be posted each school year. An employee may apply for the duty in writing to the building principal or designee. Staff can voluntarily use their allotted lunch break time for paid extra-duty lunch supervisory assignments. Only lunchroom supervision and lunch recess are considered extra duty during the regular school day. The rate of pay for lunchroom supervision and lunch recess for the duration of this contract will be 45¢ per minute.

18.04 Wage Grids

The wage grids for the 2010-11 school year are listed in Appendix D through G. Increases in compensation for each year of the contract will be as follows:

2010-11 One time, non-recurring flat rate increase of 2%. This does not change the wage grids for 2010-11. The increase will be paid quarterly on the first pay period of October, December, March and June. The increase will be prorated for those employees not working a full contract year.

2011-12 Compensation increases for the 2011-12 school year will be determined by applying the figure that is equal to 50% of the United States City Average Consumer Price Index for all Urban Consumers (CPI-U) for the twelve month period from January 1, 2010 through December 31, 2010. The guaranteed minimum increase will be 2%. (For example, if the CPI-U is greater than 4%, the salary increase will be greater than 2%; if the CPI-U is less than 4%, the salary increase will be 2%.) The 2011-12 wage grids will be available by January 30, 2011 after the CPI-U is released in mid-January 2011.

2012-13 Compensation increases for the 2012-13 school year will be determined by applying the figure that is equal to 50% of the United States City Average Consumer Price Index for all Urban Consumers (CPI-U) for the twelve month period from January 1, 2011 through December 31, 2011. The guaranteed minimum increase will be 1.5%. (For example, if the CPI-U is greater than 3%, the salary increase will be greater than 1.5%;

if the CPI-U is less than 3%, the salary increase will be 1.5%.) The 2012-13 wage grids will be available by January 30, 2012 after the CPI-U is released in mid-January 2012.

18.05 Annual Salary Increase

Any employee will be eligible for an annual salary increase on July 1 provided they were hired and began work on or before November 1. Any employee hired after November 1 will be eligible for an annual salary increase the day after their one-year anniversary of employment in the District.

18.06 Placement of New Employee on the Wage Grid

A new employee may be placed on the wage grid on an increment which takes into consideration creditable job experience, subject to approval of the Board. In granting experience credit to a new employee for the purpose of placement on the wage grid, the Administration will seek to be consistent with experience credit granted to continuing employees. If a new employee is placed in a cell higher than cell four (4), the Administration will notify the Association and be prepared to provide written rationale for the placement if requested by the Association. Any subsequent cell movement will be in accordance with the Agreement.

18.07 Summer School Rate of Pay

The rate of pay for any employee working the summer school program will remain the same as their current school year rate of pay. The rate of pay for the following school year will be established upon completion of the summer school program in advance of the upcoming school year.

18.08 Temporary Reassignment of Employee to Higher Salary Classification

An employee who is temporarily reassigned for a minimum of one (1) full day to a position in a higher cell will be paid at the rate appropriate to the higher classification during the temporary assignment. The rate of pay for a temporary assignment will be determined by moving to the equal or next higher cell of the new position, whichever is lower, plus two cells.

18.09 Permanent Reassignment of Employee to Higher Salary Classification

An employee permanently reassigned to a position in a higher salary classification will not lose credit for service in the District. For permanent assignments, the rate of pay will be determined by moving to the equal or next higher cell of the new position, whichever is lower, plus two cells.

18.10 Employee Covering for Building Secretary

An employee who covers for a building secretary will receive the assistant to the secretary's rate of pay immediately. The rate of pay for this assignment will be determined by moving to the equal or next higher cell of the new position, whichever is lower, plus two cells.

18.11 Voluntary Transfer of Employee to Lower Salary Classification

If an individual volunteers for a position in a lower salary classification, then the employee will not receive a rate past the twelfth cell of the new position.

18.12 Longevity Pay

Longevity pay will be awarded to a non-temporary employee who has completed a minimum of ten (10) years of full- or part-time cumulative service in the District. Pay will be based on one flat rate annual increase up to twenty-five (25) years of full- or part-time service. An employee who has obtained twenty-five (25) or more years of full- or part-time service will remain at the year twenty-five (25) rate through the term of this contract.

APPENDIX A
LETTERS OF UNDERSTANDING

RtI Input

The Board and the BSEO recognize that teacher assistants play a role in the delivery of interventions as part of the Response to Intervention (RtI) model. The Board and the BSEO also recognize the importance of a vehicle for regular communication between teacher assistants and the teachers who supervise the implementation of interventions and instructional support. The Board agrees to seek ways to provide for regular, periodic communication regarding the efforts of teacher assistants in implementing RtI interventions. Additionally, the Board and the BSEO agree that District teacher assistants will have the opportunity for no less than quarterly meetings with the District RtI facilitator, who will share their input and feedback with the building RtI committees. The RtI facilitator will subsequently report back to the teacher assistants regarding the reaction of the building RtI committees to their input.

Transition Plan for Acquisition of Class B License for Current Employees

The Board of Education and the BSEO share the expectation that District grounds employees and delivery truck driver hired before February 24, 2010 will obtain a Class B Driver's License. The Board agrees that it will work with the employees in these positions to be successful in obtaining the Class B license by providing ample time to practice and receive the necessary training, including use of District vehicles. The Board also agrees to the following:

- payment of fee(s) associated with obtaining the initial license
- provide one (1) Board credit upon obtaining the Class B license
- provide a one time bonus payment of \$100 if license obtained within 6 months of this agreement

The Board and the BSEO also agree that all grounds employees and the delivery truck driver will be encouraged to obtain the Class B license as quickly as possible. The District may consider an involuntary transfer for those employees who, despite their best efforts as well as those of the District, fail to obtain the Class B license.

As a result of this agreement, the Board and the BSEO recognize the need to review and revise as necessary the qualifications of the job descriptions associated with the following positions; grounds person, maintenance worker, delivery truck driver.

Job Reclassification Committee

- Create a planning committee comprised of 3 BSEO representatives and 3 Administrative representatives
- Complete design/planning process by October 15, 2010.
- Plan to include following components:
 - Composition of Job Reclassification Review Committee
 - Criteria/forms/rubrics
 - Timeline/deadlines

- Submission of initial reclassification request
- Review of reclassification requests
- Notification of decision
- Effective date

Plan must be approved by the Board of Education and BSEO leadership prior to implementation. Final decision lies with Board of Education, and is not subject to the grievance process. Any approved reclassification requests will be implemented July 1 of the next school year.
