THAT LAST

TWO LIFETIMES

HOW HOW DADS AND DAUGHTERS OF NBS!

We are the Pawnee Tribe in the Indian Princess Program. Come see what we're all about. In a modern, high tech world where strong academics and organized activities keep kids and families constantly on the go, think of this as the antidote.

You can expect plenty of campfires, grilling & girls playing outside with only their imaginations.

Come to the events that look fun & fit your schedule

Rather than focus on more structure, achievement badges and gold stars, we simply provide fresh air and fun activities to promote the lifelong bond and friendship between you and your daughter(s).

Bottom Line: Go to just one night at Camp Anokijig Fall campout and Halloween party (October 19th) you and your daughter(s) will be hooked.

"I loved being a part of Indian princess because it seemed like the world just stopped for a while and it was all about me and my dad and our relationship."

- Shannon Rivero
