

Locker Decoration Permission Slip

Decorating student's lockers for their birthdays is a time honored tradition at Prairie Middle School. All materials needed for locker decorations should be brought to school by the student(s). Students are also responsible for clean up of the area the day of decorating and then two days after the student's birthday. Only the student's locker should be decorated by peers. Decorations should not carry on to other student's lockers, teacher bulletin boards, or any other walls/areas near the locker. Any notes or wording on decorations should be school appropriate. No latex materials or balloons may be used for decorations. Behavior while decorating lockers should follow all rules of character and conduct as detailed on pages 13-14 of the planner. Student(s) coming in early or staying after-school for locker decorating need to have parent and school permission.

Locker decorating at Prairie Middle School can occur with permission:

- Before school (7:15-7:45 a.m.)
- After School: (2:50-4:15 p.m.)
 - ✓ Students must supply all decorating materials (NO LATEX BALLOONS)
 - ✓ Clean up of decorations is the student(s) responsibility. Locker must also be cleaned up **two days** after the birthday.
 - ✓ Locker decorations may only be on the student's locker
 - ✓ Notes or messages on decorations must be school appropriate

This form needs to be filled out entirely (with full names and locker numbers) and turned into Mr. Choate for approval the day before any student(s) stays to decorate a peer's locker.

Date of intended locker decorating: _____ **Date decorations need to be taken down:** _____

****Decorations must be taken down two school days after birthday****
