

## Counselor Tips

### General suggestions for success include:

- Make connections with teachers and ask for help when needed. Please use the resources available to you. Virtual Office hours begin at 7:55am every day. Please communicate with teachers ahead of time.
- Resources for Academic Success:
  - Virtual Academic Resource Center [V-ARC](#) - Login through the link and ask for academic support in Math, Science, English, Social Studies, World Language (varies by period), and more.
  - Check Infinite Campus and Schoology websites for up to date grades, communication, and registration information (registration information is only on Infinite Campus). Want access to Schoology? [Click here for directions!](#)
  - [Khan Academy](#): Academic resource for all BHS students for academic support and test preparation. All students have been given access during an advisory period.

**\*\* As always, your first line of academic support should be the teacher.\*\***

### Career Clusters, Pathways and Programs of Study - [Career Pathways / Career Clusters](#)

- Allows for students to research different career pathways so that they can plan their high school courses and use the resources available to them at BHS to pursue their potential career goals.

### Naviance (College Data Base)

- [Naviance Login Instructions](#)
- Complete the Naviance “Do What You Are” survey and “Learning Style Inventory”
- Explore other features in Naviance like Road Trip Nation, “Colleges I’m Thinking about”, etc.
