

We Have Horses Who Would Love To Meet You and Your Friends!

Do you have a horse-crazy child, who has always wanted to learn how to ride? We offer a horse club to explore the world of horses. Sessions include riding, lessons in horse care, and just hanging out with horses and ponies right here in Barrington Hills.

Our Barrington Hills Saddle Club is horsemanship unique, emphasizing the special relationship between children and horses. Everyone spends time grooming and caring for the horses from the ground, and learning safe ground habits. Children learn to ride, gain their balance, and develop a closer relationship and communication with our horses. Children will also have the opportunity to meet others who share their interest and make new friends.

When your child comes to our Saddle Club, they will....
