YOUTH PROGRAMS

Traditional Camp

For our campers who want to try it all, our Traditional Overnight Camp offers a wide array of activities and experiences! After raising the flag and eating a hearty breakfast, mornings begin with the Thought of the Day. Morning skill rotations give each camper the opportunity to choose their own activities to develop additional skills in a fun, safe, and supportive camp environment. Campers participate in Cabin or Unit Time each day, developing friendships with campers from diverse backgrounds. Swimming, afternoon snacks, and an open activity time called Twilight, rounds out their afternoon. All Camp games, campfires, weekly closing and opening ceremonies, night hikes, and sleeping under the stars await campers in the evenings after dinner.

Campers can choose one or two week options. In addition, stayover weekends offer campers an opportunity to link sessions. Our traditional camp program is for campers ages 7-14.

Activities available for your camper:

Canoeing	Hiking & Orienteering
Arts & Crafts	Fishing
Archery	Mountain Biking
Gaga Ball	Zipline & Mid-Level
Fire Building &	Ropes
Wilderness Skills	Rock Climbing

Mini Camp

This is the perfect option for campers who want to "dip their toes" in Overnight Camp. This three night, four day program will give campers the chance to see what overnight camp is all about. Campers get to make friends, participate in a variety of camp activities, and enjoy many of our Traditional Camp program aspects without the commitment of being away from home for the whole week. If your camper's are enjoying their stay, they may also finish the session with a parent or guardian's approval!

TEEN PROGRAMS

Pioneer Unit (PU)

This two-week wilderness immersion program is perfect for older campers who have done traditional camp and are looking for a new and fun experience with the same Camp Pinewood traditions. Campers live in tents and explore the beautiful Western Michigan wilderness. The program is geared towards developing campers into effective leaders. During the two week program, teens work on team building, leadership and problem solving. They will also be responsible for learning the use of wilderness equipment, Leave No Trace principles, outdoor cooking, and survival skills. This program is for campers ages 14 to 17. Pioneer Unit is offered during Sessions 2 and 3.

Leader-in-Training (LIT)

This two week leadership program is for campers entering 10th grade or older. LITs build confidence and communication skills with fun, hands-on, team focused activities. This program will develop them into effective leaders at camp and home. During the two-week program, campers will learn peer mediation skills, enjoy working together on community service projects, and experience one off-site trip dedicated to learning more about one another and their roles in a changing world. Our LIT Program is offered during Session 4.

Counselor-in-Training 1 and 2 (CIT I & II)

Is your teen ready to move from camper to counselor? The CIT I & II program helps teens achieve that goal. These programs are perfect for teens who are ready to learn the responsibilities of being a counselor at Camp Pinewood or taking the first step in a career working with youth. Trainings focus on leadership, facilitation, service and counselor skills. Teens will participate in one service project, learn cabin management, be assigned to a camp mentor, create goals, and enjoy one off-site trip at the beginning of the program that allows them to focus on supporting one another for the remainder of their camp experience.

CIT 1 is for campers entering 11th or 12th grade.

CIT 2 is only for campers entering 12th grade.

CIT 1 is offered Session 3

CIT 2 is offered during Session 1 & 2 (Three Week Combined Program)

ADDITIONAL OPTIONS

Bus Transportation

Camp offers transportation to and from the Chicago Area for our one and two week sessions. Campers will enjoy a ride on a coach bus supervised by our staff. Making new friends and gaining independence happens the moment they leave!

Bus locations are offered in three convenient areas in the Chicago-land area:

Irving Park YMCA, Chicago, IL.
Indian Boundary YMCA, Downers Grove, IL.
South Side YMCA, Chicago, IL.

Stay Over Weekends

The stay-over option is great for campers wishing to link sessions. Campers stay at camp, supervised by staff, throughout the weekend from one session to the next. This weekend is geared towards giving your camper time to unwind, rest, develop deeper friendships with one another, do laundry, and participate in special activities reserved only for these weekends.

Stay-Over Weekends are offered between Session 1 & 2, and Sessions 4 & 5.

Horse Camp

Does your camper love horses? The horse program is an off-site program available to campers in our Traditional Camp Program. In lieu of morning skill rotations, campers spend four days visiting our partnering stable; enjoying grooming, tacking, riding instruction, crafts and finishing with a camper "show". Camper's will help to feed, meet different farm animals, learn more about their four legged friends, and enjoy spending quality time with their horse or pony.

FAMILY CAMPS

Bring your family to one of our amazing weekends and experience all that Camp Pinewood has to offer! During Memorial Day or Labor Day Family Camp seek the comfort of our private cabins, eat great food and participate in fun activities led by our awesome staff.

From Friday until Monday your only job will be to enjoy your time together. During the summer relax on the beach, stroll through the woods on miles of trails or try out the climbing tower, archery range, or zipline! Our schedules are planned to be flexible around a family's wants, need and goals for the weekend!
