

District Parental Involvement Policy: Title I Schools

PART I. GENERAL EXPECTATIONS

Barrington Community Unit School District 220 (CUSD2200) agrees to implement the following statutory requirements:

- CUSD220 will put into operation programs, activities, and procedures for the involvement of parents in all of its schools with Title I, Part A programs, consistent with section 1118 of the Elementary and Secondary Education Act (ESEA). Those programs, activities and procedures, including the process of school review and improvement under section 1116, will be planned and operated with meaningful consultation with parents of participating children.
- Consistent with section 1118, CUSD220 will work with its schools to ensure that the required school-level parental involvement policies meet the requirements of section 1118(b) of the ESEA, and each include, as a component, a school-parent compact consistent with section 1118(d) of the ESEA.
- CUSD220 will incorporate this district wide parental involvement policy into its LEA plan developed under section 1112 of the ESEA.
- In carrying out the Title I, Part A parental involvement requirements, to the extent practicable, CUSD220 and its schools will provide full opportunities for the participation of English language learning parents, parents with disabilities, and parents of migratory children, including providing information and school reports required under section 1111 of the ESEA in an understandable and uniform format and including alternative formats upon request and, to the extent practicable, in a language parents understand.
- If the LEA plan for Title I, Part A, developed under section 1112 of the ESEA, is not satisfactory to the parents of participating children, CUSD220 will submit any parent comments with the plan when the school district submits the plan to the State Department of Education.
- CUSD220 will involve the parents of children served in Title I, Part A schools in decisions about how the 1 percent of Title I, Part A funds reserved for parental involvement is spent, and will ensure that not less than 95 percent of the 1 percent reserved goes directly to the schools.
- CUSD220 will provide such other reasonable support for parental involvement activities under section 1118 of the ESEA as the parents may request.
- CUSD220 will be governed by the following statutory definition of parental involvement, and expects that its Title I schools will carry out programs, activities, and procedures in accordance with this definition:

Parental involvement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- (A) that parents play an integral role in assisting their child's learning;*
- (B) that parents are encouraged to be actively involved in their child's education at school;*
- (C) that parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child;*
- (D) parents are treated as collaborators in the educational process, with a strong complementary role to play in their children's academic success and behavior;*
- (E) a community "culture" and broad-based support to highlight the need to improve student academic achievement:*

The key factor in the home-school partnership is the relationship between teachers and parents. Teachers are professionals who manage a variety of instructional resources. Parents are essential resources in the learning process of their children. Organizational support from the Board of Education, district administrators, and building administrators enable teachers to effectively develop successful partnerships with their students' parents. This Policy is designed to encourage and build partnerships to foster student success. The district staff, parents, and students are accountable for the enhancement of the learning process.

- (F) the carrying out of other activities, such as those described in section 1118 of the ESEA.*

PART II. DESCRIPTION OF HOW CUSD220 WILL IMPLEMENT REQUIRED DISTRICTWIDE PARENTAL INVOLVEMENT POLICY COMPONENTS

1. CUSD220 will take the following actions to involve parents in the joint development of its district-wide parental involvement plan under section 1118 of the ESEA:

CUSD220 has an active Bilingual Parent Advisory Committee which is comprised of parents representing Title I Schools, community members, staff, and the Director of ELL. Members of the BPAC are actively involved in both the development and oversight of the District and schools' Parental Involvement Policies.

All parent advisory meetings accommodate parent schedules, child care needs, and translation services. Parents are supported in order to become active participants and leaders in school decisions, governance, and advocacy.

2. CUSD220 will take the following actions to involve parents in the process of school review and improvement under section 1116 of the ESEA:

- ! *Each Title I school will involve parents in an organized, ongoing, and timely way in the planning, review, and improvement of programs and activities.*
- ! *Each Title I school will invite parents to participate in the writing of their School Improvement Plan (SIP).*
- ! *Each Title I school will invite parents to participate in the annual revision of their SIP.*
- ! *Each Title I school will solicit opinions/interests of parents at the PTC/PTO to define its monthly activities. They also may work with community-based organizations and businesses to develop parent involvement activities.*
- ! *Through the PTC/PTO meetings and newsletters, all parents are informed of the goals and activities of the District Improvement Plan (DIP) and SIPs, as well as other educational programs.*

3. CUSD220 will provide the following necessary coordination, technical assistance, and other support to assist Title I, Part A schools in planning and implementing effective parental involvement activities to improve student academic achievement and school performance:

- ! *CUSD220 has emphasized each school's responsibility to develop School-Parent Programs, with the input of parents, teachers, and administrators.*
- ! *CUSD220 encourages families and teachers to establish learning COMPACTS/Promise. COMPACTS/Promise define goals, expectations, and shared responsibilities of schools and parents as equal partners in student success. The agreement will be written in English and in the native language of the parents, where feasible. COMPACTS/Promise, used in conjunction with other school strategies, can strengthen the ties between families, students and teachers, and establish a stronger environment for learning.*

5. CUSD220 will take the following actions to conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of this Parental Involvement Policy in improving the quality of its Title I, Part A schools. The evaluation will include identifying barriers to greater participation by parents in parental involvement activities (with particular attention to parents who are economically disadvantaged, are disabled, are ELLs, have limited literacy, or are of any racial or ethnic minority background). CUSD220 will use the evaluation's findings to design strategies for more effective parental involvement, and to revise, if necessary (with the involvement of parents), its Parental Involvement Policies.

The data will be used to refine and develop programs, training, and activities based on parent/student need. The FSLs are responsible for compiling activity/event information and sharing it with the Principal, school staff, and Director of ELL. FSLs meet to share successes and strategies to motivate parents to become more actively involved.*
