It works like this.

Take Charge of Education is an exclusive benefit of the Target REDcard® program. You apply for the REDcard, and select Countryside Elementary. Every time you shop, you benefit with 5% savings, and Countryside Elementary benefits with up to 1% of your purchase. Then, the Countryside PTO uses the money on the things our school needs — anything that can use a little extra funding.

The best part? It's easy!

Every trip to Target becomes a fundraiser when your supporters join. Teachers, parents, grandparents, alumni, friends, neighbors — anyone who supports your school is welcome. The more people involved, the harder the program works, so get started. Simply visit Target.com/TCOE or call 1-800-316-6142 to designate Countryside Elementary, then encourage our community to sign up.

In addition to 5% everyday savings, you will enjoy these additional REDcard benefits:

- Free Shipping at Target.com
- Extended Return Policy — 30 extra days for REDcard guests
- Online Account Management
