

General PTO Meeting – 3/12/20

Meeting started at 6:50pm

Motion to start: Dani Kusmerz Second: Amanda Manczak

Welcome to Ms. Hesselbein and Ms. Alvarez who will share information about their upcoming INGAGE trip this summer

Principal

Bulldog Ball is cancelled. Gov. Pritzker strongly encouraged large events being cancelled. Teachers at Roslyn are ready for distance learning. We can use distance learning indefinitely IF that is necessary. An assignment is due and 5 days later it is due for full credit. We do want to try and keep the work coming in regularly, then we need to have everyone tuned in and engaged daily. Students will go home tomorrow and every day forward as if they won't be back the next day just a precaution since things are changing hour by hour.

We will focus on how to increase hygiene... you can put hand sanitizer in your child's backpack or a disinfectant wipe in their lunchbox. They have been filling the hand sanitizers at school again and the students are using them.

Presidents

1. April General PTO Speaker: April 12th at 9am. Ty Gorman the district guru on technology will be there to discuss about technology and how to monitor your students better.
2. School Supplies: Available online after Spring Break
3. Teacher Stipends: Just finishing this up for the year. We will provide this at the beginning of the year for the next time.
4. 2020-21 Slate
 - Volunteer Survey: thank you to those who completed the survey... still looking for more!
